Holland Votes AGAINST the People

Throughout his two terms in the United States Senate, Senator Holland, the candidate of the "happy few", has voted against the people on legislation affecting the health, happiness and prosperity in Florida.

AGAINST Labor . . . Voted against pro-union State Laws . . . against abolishing industry-wide bargaining . . . against strike by employees of privately owned utility companies.

AGAINST Higher Wages . . . Voted time after time to lower minimum wages, declaring 75¢ per hour "adequate for Florida."

AGAINST Old Age Pensions . . . Voted against increasing benefits, but voting for increasing his own Congressional Pension.

AGAINST Reducing Taxes . . . Voted against reducing income taxes for the lower brackets.

AGAINST Research For Health . . . Voted against funds for Cancer, Tuberculosis and mental health research.

AGAINST Unemployment Relief . . . Voted against increasing jobless pay benefits.

AGAINST Homestead Exemption . . . Voted against Homestead Exemption while in the Florida State Legislature.

Pepper Votes FOR the People

In his 14 years of service to the people of Florida and the nation as a United States Senator, Claude Pepper compiled an enviable record which spread his own renown and that of Florida throughout the world.

FOR The Working Man . . . For increasing Minimum Wage . . . In the Senate, Pepper successfully introduced the Minimum Wage Bill.

FOR New Industry . . . To bring more employment and higher payrolls to Florida.

FOR Old Age Pensions . . . For a cost of living increase to help Florida's senior citizens.

FOR Research For Health . . . In the Senate, Pepper successfully sponsored Bills for Cancer, Heart and Dental Research.

FOR The Veteran . . . Sponsored G.I. Bill of Rights and for increased benefits for the Disabled Veterans.

FOR All The People . . . And not the wealthy, influential few.

FOR Small Business . . . For Tax Relief for the small business man.

KATHLEEN LIVINGSTON, Church Editor

Episcopal Men To Meet Tuesday Nite

The men of the Episcopal Church of the Holy Trinity, Belle Glade, Holy Trinity, Pahokee, will meet for their regularly monthly supper meeting on Tuesday evening, September 9th, at 7:30 P. M. at the meeting room of the Church of St. John the Apostle, 223 N. W. Avenue G.

The meetings will meet regularly on the second Tuesday of each month, the meetings being highlighted by a supper prepared by the men themselves and a program on topics of current interest. This is the year of the organization of the Episcopal men of the Belle Glade-Pahokee area, and the meetings are most interesting and full of fun.

The public is invited to attend the meetings and a goodly crowd turned out to hear Rev. Lehman.

South Magazine reports:

"S. & H. GREEN STAMPS are helping Dixie grow"

"During the past few years a major addition to business in the South has been the fast-growing trading stamp industry."

"Proof of the growing importance stamps play in bolstering the area's economy is found in the Southern operations of The Sperry and Hutchinson Company, distributors of the widely known S. & H. Green Stamps. In 1947 alone, S. & H. distributed more than \$10 million worth of merchandise from Southern manufacturers, providing many of the area's industries with increased outlets for their products and boosting Southern payrolls."

"Added to those figures is the \$2,250,000 annual sum paid by S. & H. for its present and growing 866-person Southern personnel. The Company has invested hundreds of thousands of dollars in real estate to locate its modern redemption centers, indicating that the industry has become a permanent part of the area's business life."

BACTERIAL SPOT with

With Agri-Strep, you can slash bacterial spot damage to a minimum. It controls bacteria, improves quality and reduces costs by eliminating losses from rot. Agri-Strep antibiotic spray provides unmatched control for this costly disease.

Here are five tested reasons why it will pay you to use Agri-Strep:

1. Agri-Strep contains only streptomycin—the one effective antibiotic for bacterial spot.

2. Agri-Strep sprays are quickly absorbed by leaf tissue and kill disease germs without damaging plant cells.

3. Agri-Strep will not clog or corrode sprayers, and leaves no residues on crops.

4. Agri-Strep, used as directed, is non-toxic.

5. Agri-Strep is recommended by many State Agricultural Experiment Stations.

Results more to look forward to with economical Agri-Strep. Extensive commercial tests have proved bigger and better crops are in store for users of Agri-Strep.

Lake Shore High Set For SemesterPhoto By Mathis
DUE FOR COMPLETION early in October is the \$339,339 addition to Lake Shore Gymnasium and basketball building is being built behind the existing building. Three classrooms more behind. Separate and to the rear on the right three more behind. Separate and to the rear on the right of the picture is the music department with the new cafeteria at the far right. Lake Shore Elementary, seen at the top of the picture, will be moved to the new building in addition to keep pace with the rapidly growing rolls of younger children.

The Glades Lake Shore (Negro) school plant represents a million dollar or more investment; with an annual payroll near a quarter of a million dollars. It is one of the most modern plants in the Florida school system.

The Lake Shore High School is an accredited school; it offers high school credits enabling graduates to enter college work with a great number of its graduates. Extending the minimum requirement of four years in Mathematics and the sciences are an important part of the curriculum, with diversified opportunities for students. This DCT course enables students to work part time in the vocation for which they are training in cooperation with local business.

A members gym is supplemented by an athletic field; there is a band which compares favorably with other Negro school bands; basketball and football teams give their supporters cause to be proud.

Principal Charles M. McCurdy has seen his student body grow from the few he had before years in the elementary school, to some 28 members in the high school and 24 in the elementary school.

Seven Teachers
Join Lake Shore

Seven new teachers join the Lake Shore faculty this term, according to Principal McCurdy. Willie Singleton, industrial arts director, is married with two children. He comes on trial from the University of Miami. Mrs. Alice M. King, from the University of Florida, has one child. He will teach social studies; she business education.

Isaac Jordan, St. Augustine, attended the Duval-Turner-Cook College at Daytona Beach and will teach math.

Alphonso Sutton, driver education instructor, replaces Cliff Johnson who joined the Lake Shore system. He is from Riviera Beach and is a graduate of Florida Normal College.

Charles Collier, who will teach junior high English, is from West Palm Beach and attended FAMU. Mrs. Earline King, High School teacher, is a graduate of Everglades Vocational High. She attended Tuskegee Institute.

Registration Soars
As Negro Students
Return To Schools

Enrollment at East Lake Junior High at Pahokee and Lake Shore High at Belle Glade showed an increase over last year. Complete registration figures are not available since many families will be registering children.

On Sept. 2 Lake Shore registration was 389 with at least 200 more expected, according to Principal S. M. Murrell.

Principal S. M. Murrell at East Lake had 326 registered, and that figure breaks the record. Principal 400 will be registered by Oct. 1.

Rosenthal Elementary at South Bay registered 243, 57 more than Sept. 2 last year. Another 200 will be enrolled by the last of November.

Peace Justice Court

Constable W. L. (Buck) Lee returned Thursday from Hendersonville, N. C., where he took a vacation. Lee, 42, recently worked in Palm Beach County as a forger. Authorities wired Lee Sunday to inform him that the would-be burglar apprehended and was held held.

Mrs. Lee accompanied her husband as matron on the trip. Their son, Charles, also made the trip. Lee said the law requires that he be present when a female prisoner in transportation from one point of jurisdiction to another.

Mrs. Lee was accompanied by

Lee's wife, who forged

checks, Ray Whittle, Your Food

Store and Case Rate, was tried

before Peace Justice, Mrs. Alice Cherry where the accused entered a guilty plea.

Mrs. Cherry recommended her to Palm Beach County Jail to await trial in criminal court.

obligation without having to travel at night to another unit. (The nearest is 45 miles.) The Guard unit contributes more than \$20,000 in payroll each year to EXPANSION MERCHANTS.

The expansion program which we are currently working on, if successful, will doubt that figure would be in the THOUSAND DOLLARS per year.

It's not much when considering payrolls, but I'll bet any of the Chamber of Commerce would be highly interested in trying to locate a small business in its respective town with a comparable size payroll.

The Army National Guard would cost the American taxpayer if all the men now presently enrolled in a reserve force had to be trained and maintained on Active National Guard payrolls.

The Army National Guard has been formed, trained and is presently being maintained only to be of service to the Nation, and the men are volunteers. There are many young men who have a military obligation to satisfy and who have not yet taken any steps toward that end. We need them.

It is highly possible that we could lose our army and our unit if we don't attain the strength level that has been set down. Please help us to serve YOU.

If you know a young man who needs help in understanding his military obligation or wants these different ways of satisfying it explained, have him call me and I'll be happy to help him.

The Glades National Guard Armory is located on SR 80 south of Belle Glade near Belle Glade Memorial Hospital.

Casually Close

The next morning we drove into the city of Quebec and found to be most interesting. The streets were very narrow. There were many, many, many churches and all of them were large and beautiful. We saw the Chateau Frontenac, a world famous hotel. It really is a tremendous size. There were many canals and locks in the city.

Leaving the city we drove along the St. Lawrence again, only this time we were on the opposite side of the river, after a field of hay. And on each farm there would be a few cows and some sheep. Going through the small towns we noticed how colorful the houses were. Some of them would have 4 or 8 different colors on them, and some of them were very pastel colors. Almost all of the houses were large flower gardens and the flowers were so big and colorful.

Montreal is quite a large city and very different from Quebec. The streets are very wide, some eight lanes wide with lawns of flowers in the center of them. We saw many lovely, modern buildings and everything was so clean and orderly. We were amused at the stop lights—the red was twice the size of the green light. And the lamp posts were built around them in an arc about 10 feet with flowers blooming in them. We never did figure out how they watered them.

From Montreal we went down to St. Catharines, N. Y. where we went through customs again this time in about 5 minutes. Then we went to Vermont and down to Lake Champlain Island to Sunbeam State Park. The park was full so we went back a couple of miles to Lake Side tourist Camp which turned out to be a lot better than the state park. The facilities were excellent and the boys had a lot of fun in the lake.

The next morning we drove to Burlington where we took a ferry across Lake Champlain to New York State and on to Alexandria Bay. On the way we went through Watertown during the world's largest annual potato festival. We decided the town had been well named. At Alexandria Bay we crossed the International Bridge to Canada and the St. Lawrence River just north east of Lake Ontario. We spent the night at Wellesley State Park which is on an island in the river. The regular state camping area was full but we found nearby. This too was a beautiful place and there were many people swimming, boating, and skating there.

We went back to Alexandria Bay in the morning and took the boat trip around the 1000 Islands. We saw the Thousand Islands, the prettiest a house on a rock island for "mother-in-laws," many lovely homes where the owners could really get away from it all. And Boldt's Castle on Hart Island.

As we drove through upper N. Y. state we saw many acres of vineyards where we saw cherry trees, apple trees, and pear trees. The cherries were ripe and were being picked. We camped on the other side of the river at the International Power camp site. We were off to a y, as you guessed it, and early start the next morning and on our way to Niagara Falls. We crossed the bridge to Canada and saw the falls from the Canadian side. It is really a sight to see and we were quite awed. There are really three falls, the American Falls, the Bridal Falls, and the Horseshoe Falls. You wonder as you watch the falls if they don't run out of water sometimes. In fact, they do, especially in a severe cold spell the American Falls freezes over almost completely, but Horseshoe Falls never stops. We took a trip down under the falls that was very interesting. First, we put on boots and raincoats and went down in an elevator to the bottom of the falls and we walked to the end of the cave where the water was falling. The water was falling so hard and fast that it seemed like a high white wall. Before leaving the falls we walked through the lovely parks and

TRAFFIC STOPPED at Main St. and Avenue A early Saturday when 40 boats of the Riviera Outboard Motor Club paused on its way to the Belle Glade Marina for an outing to Ft. Lauderdale. Caused by all types of equipment, the boats caused some townsfolk to stop and gawk at the colorful craft.

Clad in bathing suits and Bermuda shorts and old shirts, the visitors expressed their gratitude for the show of Belle Glade hospitality which enabled the club to set sail for the weekend through the fish camp-port facilities.

Morris.

Approximately 75 attended the Belle Glade Picnic, and Bill Graber, who was a patron welcomed the guest and Dad Evans gave the invocation. The worthy matron and patron, Mr. and Mrs. William Graber gave a biography of the founder.

BRADENTON — The first fall meeting of the Belle Glade Garden Club will be a sandwich luncheon at the Community Clubhouse at 12:30, Tuesday, Sept. 8.

Miss Ivonne Horn will be in charge of the program on conservation.
